Task 1. Read the letter and answer the questions.

Dear Fiona,

How are you? Dad, Mum and I are fine. I hope you are well too.

We had the most fantastic time last weekend. Do you remember my Korean friend, Eun-mi? She came to visit us last weekend. Before her visit, we carefully planned a list of places to bring her for the two days.

On Saturday morning, we woke up early. After breakfast, Dad drove us to the National Zoo. Well, that was a good choice for Eun-mi; she loves animals. She had a wonderful time looking at them. I lost count of the number of pictures she took of the animals.

Next, we went to the Butterfly Farm which is in another part of the city. There, we saw many butterfly species. I was told there are about two hundred species. Wow, that's really a lot!

On Sunday, we went to Prince Shopping Complex. Eun-mi wanted to buy souvenirs for her family and friends. We spent the whole afternoon shopping! By the evening, she must have bought a whole cartload of gifts. That night, we had a seafood dinner at a nearby restaurant. The prawn and lobster dishes were really delicious.

I wish you had joined us last weekend. By the way, Eun-mi sends you her regards. I have to stop here. Do write often and tell me how you spend your weekends over there. Love,

Alex
